This letter is to recommend **Mr Vansh Kumar** for the position of **Business Development(Fundraising and Strategy Development)** at your company. Vansh worked for the Fundraising and Strategy Development of the organisation, and he was routinely throughout that time the most creative and capable candidate we had. He had a fantastic eye for unique skills and was able to implement some of the best convincing strategies.

Vansh had done the fundraising of the SHIKSHA project during his internship tenure. He played a significant role, often, in developing and implementing overall strategies, and dealt with the details along with the bigger picture. He has great convincing power.

A huge part of Vansh`s job with us was coordinating interdepartmentally to facilitate the completion of tasks. He was always thoughtful and considerate, an excellent team player who can also work independently and do a fantastic job. Vansh can seemingly do anything, so he`s very highly recommended.

With regards,

Mrs. Manisha Barapatre
